Camden Town Office

The Camden Town Council met in special session to consider a request from Ms. Patricia Babcock, 555 W. Washington Street, to have the sewer portion of her monthly bill reduced. The customer had been allotted time at the regular Council meeting on October 10th but failed to appear until after the meeting adjourned. In asking for the special meeting, Ms. Babcock explained she was unaware that her child(ren) had left a water hose run in the basement resulting in a large water use – which she was willing to pay. However, Ms. Babcock felt the sewer portion should be adjusted because the water went through the sump pump and not the sewer lines. Ms. Babcock asked to appear before the Board to present her case. The date and time were agreed upon with Ms. Babcock. Proper notice was posted and given to the local newspaper.

Present at the meeting were Council President Ralph Rohrabough, Member Michele Everett and Clerk-Treasurer Pat Casserly. Absent was member Andy Robison. Meeting was called to order at 7:00 by President Rohrabough.

The meeting adjourned at 7:30 by a motion from President Rohrabough and second from Member Everett after Ms. Babcock failed to appear.
