## CAMDEN TOWN COUNCIL

### ADDITIONAL APPROPRIATION

**December 8th, 2008**

The properly advertised and called meeting of the Camden Town Council to consider an additional appropriation in the Rainy Day Fund in the amount of \$27,000 was called to order by President Peter Wagoner at 6:30pm. Present were Council Member Andy Kelly and Clerk-Treasurer Pat Casserly.

Additional Appropriation Resolution 2008-E was presented for consideration. The additional funds are needed for equipment necessary for the wastewater improvement project. This equipment had originally been considered as an alternate in the base bid however IDEM requires it to be part of the project. The motion to pass Resolution 2008-E was made by Mr. Kelly and passed.

The Council next gave consideration to the 2009 Salary Ordinance. The Council gave thought to various percents of increase and the possibility of including the clothing allowance as part of the base salary thus deleting it as a line item on the budget. The Council also discussed the employees' insurance as part of the overall employee benefit package. The Council decided there would be no change for the employees in the handling of their insurance for 2009 but a change may be made in the future. The motion was made by Mr. Kelly to allow a 1.5% increase across the board to all employees and to move the \$350 as a line for clothing allowance from the budget and incorporate it as part of the superintendent and assistant superintendent's salaries. Motion passed.

Meeting adjourned by a motion from Mr. Kelly at 6:50.
