WATER

ORDINANCE NO. 2005- 5

ADDING TO AND AMENDING ORDINANCE NO. 99-2

WHEREAS, there exists in the Town of Camden, Indiana, Ordinance #99-2 entitled:

AN ORDINANCE ESTABLISHING RATES AND CHARGES FOR THE USE AND SERVICES RENDERED BY THE WATERWORKS OF THE TOWN OF CAMDEN

Said Ordinance is now added to and amended as follows:

(A).The owner of the real estate for which waterworks and services are provided shall be ultimately responsible for the payment of charges made for said services regardless of the owner's contract or agreement with any other person, including a tenant on the premises.

(B). In the event two (2) or more businesses or dwelling units such as trailers, apartments or housekeeping rooms are users of water discharged into any of the Town of Camden's systems, either directly or indirectly, and the quantity of water is measured by a single water meter, then in such case billing shall be for a single service in the manner set out in Town of Camden Ordinance #92-2, except that an additional charge shall be added thereto in the amount of one-half (1/2) of the minimum charge per month for each dwelling unit over one (1) served through the single water meter. In the case of trailer parks, the number of dwelling units shall be computed and interpreted as the total number of trailers located and installed in said park plus any other dwelling units served through the meter. A

dwelling unit shall be interpreted as a room or rooms or any other space or spaces in which cooking facilities are provided.

Passed and adopted by the Town Council of the Town of Camden on the 11th day of October, 2005.
