**Wellhead Protection Plan Meeting
Camden Town Council
August 15, 2013 6:00
Camden-Jackson Twp. Public Library**

The properly called and advertised Wellhead Protection Plan meeting of the Camden Town Council was called to order at 6:10 by President Richard Fite. Present were Members Kandance Funk and Jeff Sieber, Clerk-Treasurer Pat Casserly, Ken Smith (Municipal Civil Corporation) and Jerry Snavelly. A sign-up sheet was provided.

Mr. Smith reviewed the duties and responsibilities of the Wellhead II. The completed plan is due in March, 2015. Mr. Smith stated he could do the plan for \$3,000 or he would be willing to help Mr. Snavelly and have the plan completed in-house. Mr. Fite favored hiring Municipal Civil Corporation. The motion to do so was made by Ms. Funk, seconded by Mr. Sieber and passed.

Other matters discussed following the Wellhead Protection discussion were:

1. Sidewalks on the west side of Monroe Street – Mr. Smith is looking for grants for recycle material for the sidewalks. Mr. Fite stated he would pay for the sidewalk to be installed in front of his home. He will try to get letters of support from citizens living in the Senior Housing as support for the grants.
2. ADA ramps will be included as part of the sidewalk project.
3. One estimate was received from Muller Masonry for tuck pointing the front of the community building. Before this work can be done, the top blocks need to be reinforced.

Meeting adjourned at 6:40.
